

PUBLIC NOTICE
JOB ANNOUNCEMENT
DEKALB COUNTY ENGINEER'S OFFICE
September 13, 2016

Application closing date: October 14, 2016 @ 4:00 pm

Position: Assistant County Engineer

Under the direction of the County Engineer, the employee performs routine engineering work, conducts engineering inspections, maintains various records, performs various tests, and provides technical assistance in the day-to-day operations of the department.

Requirements & Qualifications:

- Must be able and willing to obtain necessary certifications, i.e. Bridge Inspector, ALDOT Roadway Technician, and other certifications as deemed needed.
- Assist in the inspection of roads and bridges.
- Must be physically able to traverse uneven and steep terrain, and work outdoors in physically demanding conditions.
- Design and draw plans.
- Act as County Engineer when Engineer is absent.
- Prepare and review bids submitted by vendors and make recommendations.
- Compute invoices and estimates.
- Work independently without close supervision.
- Able to operate or learn quickly to operate a personal computer using standard or customized software applications (Microsoft Word & Excel, AutoCAD and GIS knowledge a plus).
- Able to communicate effectively with others, both orally and in writing, using both technical and non-technical language.
- Work non-standard hours.
- Must hold a valid State of Alabama Driver's License

Required Minimum Education and/or Experience:

- Certified Engineer-in-Training (EIT) in good standing in the State of Alabama.
- Bachelor's Degree in Civil Engineering.

Benefits:

Blue Cross Insurance
State Retirement Plan
Paid Holidays
Vacation and Sick Leave

Pay Scale Classifications (Starting salary commensurate upon experience):

State Pay Range 78 (EIT) - \$47,757.60 to \$72,686.40
State Pay Range 81 (P.E.) - \$55,327.20 to \$84,276.00

Interested Applicants should direct inquiries to:
