

COUNTY ENGINEER - TALLADEGA COUNTY COMMISSION

Talladega County is accepting applications for County Engineer through May 26, 2017. The County Engineer performs administrative and professional engineering work in planning and directing activities of the County Highway Department. Must have a minimum of a bachelor's degree from an accredited college or university and licensed as a Professional Engineer in the State of Alabama. A minimum of five years' experience as a County Engineer or Assistant County Engineer is necessary. The individual selected County Engineer will be required to reside within Talladega County. Please send your resume and completed job application, along with a cover letter, to: Pat Lyle, County Administrator, PO Box 6170, Talladega, AL 35161, or pat.lyle@talladegacountyal.org. Applications may be downloaded at: http://talladegacountyal.org/joomla31/images/HR/Employment_Application.pdf.
