

**Director of Risk Management
Montgomery City/County, AL**

The Director of Risk Management directs and oversees all aspects of city and county risk management programs in an effort to minimize cost and liability to the city and county. The Director of Risk Management is the liaison for the city, county, and other governmental or quasi-governmental entities to other departments, outside government agencies, vendors, and the community in risk management matters. The essential functions for the position include the following: directing and managing risk management programs which include safety and loss prevention, insurance administration and risk assessments; ensuring compliance of programs; developing and implementing policies/procedures/strategies; analyzing a variety of information; managing and administering safety programs; managing the acquisition of risk management services/benefits; managing relationships; and providing risk management guidance and support. The Director of Risk Management is supervised and evaluated by the County Administrator and operates under a memorandum of understanding between the Mayor's Office and the County Commission.

Qualified candidates will possess a master's degree in business or public administration or a closely related field such as accounting, finance, risk management, or insurance and 10 years of increasingly responsible management experience in all aspects of risk management including safety and loss prevention, insurance administration, and risk assessments. Certification as a risk manager or an associate of risk management is preferred and can be substituted for the master's degree.

Employees are offered a competitive benefits package which includes health, dental, and life insurance, paid annual and sick leave, paid holidays, and a retirement program. The current vacancy is with the County of Montgomery and is compensated within \$78,323-\$111,495.

An online application and additional job information is available at <https://sigma.montgomeryal.gov/>. Applications will be accepted until July 29, 2014.
