Excellence in County Government Award

Has your county found an innovative solution to a problem, such as solid waste, road and bridge maintenance and construction, or the need for better financial management? Has your county initiated a successful loss-control program, an unusual project to utilize volunteers, a successful community corrections project, an innovative solution to personnel problems, or a productive effort at industrial development? Has your county launched an educational program to make the public more aware of county services, or to more directly involve the public in the governmental process?

If your county has initiated similar programs, or any outstanding or innovative effort, you would be a great candidate for the 2015 Award for Excellence in County Government!

The 24th Annual Awards for Excellence in County Government will be presented during the Annual Convention's Awards Ceremony on Thursday, August 20. This awards program is designed to bring statewide attention to outstanding accomplishments on the part of county government.

To ensure that all counties have a fair chance of being recognized, we will give Excellence in County Government Awards in two

categories. The first award will go to a rural county – a county with a population under 50,000. The second Excellence Award will go to an urban county – a county with a population of more than 50,000.

Over the years, this awards program has brought recognition to programs across the state ranging from innovative approaches to industry recruitment, to unusual efforts at solving community problems.

The awards are intended to honor those programs implemented by the County Commission itself and not its agencies or boards. The awards are not to recognize those required programs that the county has carried out well, but instead honors those special efforts of County Commissions to meet the needs of their community in an innovative way.

Please look closely at the guidelines and judging criteria located on page 2. The deadline for entries is Friday, June 26, 2015.

If you have any questions about the Excellence Awards, call or email Donna Key in the ACCA office at dkey@alabamacounties.org or (334) 263-7594.

In addition to the Excellence in County Government Award, the Association offers additional awards and recognition opportunities for individuals that will be presented during the awards ceremony at the Annual Convention on Thursday, August 20, 2015.

Outstanding Contribution to County Government

This award is given annually to individuals who have contributed to the betterment of county government in a manner above and beyond that is expected in their everyday duties. It is not a longevity award, but represents significant contributions to county government statewide.

Previous winners include Houston County Commission Chairman Mark Culver, State Emergency Management Agency Director Art Faulkner, Tuscaloosa County Probate Judge Hardy McCollum; Rep. Bill Dukes; late Rep. Jack Venable; Mack Roberts, former director of the Alabama Department of Transportation; Buddy Sharpless, former executive director of the ACCA; Frank Courson, retired County Transportation Director for the Dept. of Transportation; Mike Scroggins, retired head of county audits for the Examiners of Public Accounts; and retired Montgomery County Commissioner

Bill Joseph. These winners followed a long line of leaders who have been honored for their dedication and contribution to county government. This award is for true accomplishment by an individual or organization. Those wishing to nominate someone should complete a form and return it to the ACCA office by the deadline.

Tenure In Office Award

This award is given to County Commissioners who have served in office for at least 16 years. It is given to commemorate each year served, in multiples of four years, once the 16th year is completed. For example, a commissioner who has just completed his or her 16th, 20th, 24th, 28th or 32nd year of office is eligible for the award.

It is the responsibility of the county to complete the entry form for this award. The ACCA staff does not have service records on all the County Commissioners. Make sure your County Administrator completes the form for all qualified Commissioners.

Memorials

Memorials are issued by the ACCA for Commissioners who have died in office since August 2014. Please have your administrator complete this form if your county has lost a Commissioner during the past year.
