

**ACCA LIABILITY SELF-INSURANCE FUND, INC.**

**2017 SAFETY AWARDS APPLICATION**

**TELL US YOUR SAFETY IMPROVEMENT & LOSS REDUCTION STORIES**

The ACCA Liability Self-Insurance Fund, Inc. has adopted an additional step to the process for determining eligibility to receive the annual Safety Awards. This year's awards will be given out at the Insurance Funds' Membership Meeting on August 22, during the annual convention at the Perdido Beach Resort in Orange Beach, Ala. This process is still dependent upon counties having the lowest loss ratios over the last three completed Fund years; however, each county wanting to be considered for a Safety Award must complete this application stating what your county has been doing during the past 12 months to improve safety and reduce your county's losses.

Examples of some of the steps implemented by various county departments include:

Road Dept - videotaping all roads to document road conditions; requiring truck drivers to obtain medical cards; fabricating and installing Stay Back 100 Feet signs on motor graders; investing in pothole patching trucks

Sanitation Dept - implementing standardized totes for mechanized tipping; outsourcing solid waste services; automating solid waste service with mechanized lifting arms

Sheriff's Office - sending all deputies to Below 100 classes; providing 90-minute suicide prevention classes for all correctional officers

Courthouse - installing metal detectors at front doors manned by law enforcement officers

Yes, please consider my county for the ACCA LSIF's 2017 Safety Awards
