As a member of the ACCA Liability Self-Insurance Fund Inc., you now have access to the **eRiskHub**®, powered by NetDiligence®.

The eRiskHub® is a private web-based portal containing information and technical resources that can assist you in the prevention of network, cyber and privacy losses and support you in the timely reporting and recovery of losses if an incident occurs.

Please note the following:

- The eRiskHub® portal is a private site for members of ACCA only. Do not share portal access instructions with anyone outside your organization. You are responsible for maintaining the confidentiality of the **Access Code** provided to you.

- Should you experience a data breach or other privacy/cyber liability incident, login to the eRiskHub® and follow the instructions on the Incident Roadmap page.

- This portal also contains a directory of experienced providers of cyber risk management services. ACCA does not endorse these companies or their respective services. Before you engage any of these companies, we urge you to conduct your own due diligence to ensure the companies and their services meet your needs. Unless otherwise indicated or approved, payment for services provided by these companies is your responsibility.

To register for the ACCA eRiskHub®:

1. Go to **https://eriskhub.com/acca**

2. Complete the **New User Registration** form in the center of the webpage. Create your own Username and password, then enter **13625-86** in the Access Code field.

3. Once you've completed registration, you can login immediately by entering the Username and password you just created in the **Login** box in the top right corner of the screen.
