

FAYETTE COUNTY ENGINEERING DEPARTMENT

103 1st Avenue NW
Fayette, AL. 35555
(205)932-6282
Fax 932-4370

Luke Porter, P.E.
County Engineer

Please be advised that there will be an opening for the Supervisor position in the Fayette County Road Department. The supervisor position is a permanent full-time position in which employees shall serve at the pleasure of the county engineer. It shall be the duty of the county supervisor of Fayette County:

- 1) To supervise and direct all personnel as are necessary to properly maintain and construct the public roads, highways, bridges, and county shop of Fayette County, and he or she shall have authority to prescribe their duties subject to the policies which are in effect or established by the county commission.
- 2) To maintain the necessary accounting funds and records to reflect the cost of the county highway system.
- 3) To build or construct new roads, or change old roads.
- 4) To make recommendations for a yearly work plan and present budget information for the new year
- 5) To maintain and construct all county roads on the basis of the county as a unit without regard to any district lines, insofar as is practicable and feasible. The county supervisor is hereby designated as the person authorized to make written requisition to the county engineer or his or her duly designated purchasing agent for all articles, materials, supplies, and equipment necessary for the maintenance and construction of the roads, bridges, and county shop in Fayette County.
- 6) The County supervisor shall be the custodian of all road tools, machinery, supplies, and equipment of Fayette County, and he or she shall be accountable for the same at all times.

This position shall be opened from October 9th – December 1st. Please send resumes and applications to the following:

Attention: Mrs. Bobbie Driver
103 1st Avenue NW, Suite 2
