

# Talking Points

Getting questions about the  
ACCA Annual Convention?

## 31

Convention sessions are approved for a total of 31 **education credits** for commissioners and county employees.

*Alabama Local Government Training Institute • County Government Education Institute • Certified County Administrator • Certificate in County Engineering Administration • Certificate in Emergency Communication Administration • Certified County Revenue Officers • Certified Local Emergency Manager*

## 4

Legal guidance about at least 4 **new state laws with significant impact on counties**

*Alabama Transportation Safety Fund • Police Jurisdictions • Simplified Sellers Use Tax Remittance • Appointing Outside Counsel for Litigation of Property Tax Cases*

Here are a few talking points to help convey the impact and value

## 1

Alabama counties operate within a **one-of-a-kind legal framework**.

This is 1 unique opportunity to problem-solve, network and troubleshoot with **the only other people in the world who do what you do**.

## 82

Some 82 exhibitors – representing almost 20 types of goods and services – will be under one roof. That means county leaders have an unparalleled opportunity to comparison shop for anything from road materials to financial services to inmate medical care – all for the purpose of providing taxpayers with the **best services at the best value**.

*Storm Shelters • Inmate Medical Care • Heavy Equipment Supplies • Tax Collection • Employee Benefits • Engineering Services • Purchasing Cooperative • Motor Vehicles • Resellers of Used Equipment • Prescription Drug Discounts • Tourism/ Economic Development • Architects • Contractors specialized in roads, bridges & public buildings • Financial Services • Communication Technology • Roadbuilding Equipment • Solid Waste • Building Materials for Roads and Bridges*
