The 2017 Legislative Session will begin on February 7 and an important part of our preparation for the session is the District Meetings.

The District Meetings are vitally important to the life of our Association and help us prepare to play offense by advocating for legislation that would be positive for counties and play defense by working against legislation that would hurt county government.

During the meetings, ACCA staff will report to you on the expectations for the 2017 Legislative Session and a number of other matters important to your county. As you all know, the success of the Association is directly linked to the level of participation by the membership. If you take an active role and work to support the Association, we can continue to provide excellent service to your counties. Because the Association is the only voice for county government in Alabama, it is important that counties work together.

All meetings will begin at 6 p.m. and the cost for ALL meetings will be \$20 per person. We encourage you attend the meeting that best fits your schedule. Register online at www.alabamacounties.org. Directions to each location will be emailed about a week before the meeting. If you have any questions regarding the district meetings, please call the ACCA office or email Jennifer Datcher at jdatcher@alabamacounties.org.
