The Alabama Association of Emergency Managers and the Alabama Emergency Management Agency present:

2019 Alabama Disaster Preparedness Conference

June 11-13 | Marriott Prattville Hotel & Conference Center | Prattville

The 2019 Alabama Disaster Preparedness Conference is set for June 11-13 at the Marriott Prattville Hotel and Conference Center in Prattville, Alabama.

Presented in partnership by the Alabama Association of Emergency Managers (AAEM) and the Alabama Emergency Management Agency (AEMA), the Alabama Disaster Preparedness Conference is the new and improved version of what many may know as the annual AAEM Conference. **For the second consecutive year, AAEM is working with AEMA to offer a conference beneficial to not just county emergency managers but all individuals in Alabama who professionally manage emergency situations for an organization.** For Conference Exhibitors and Sponsors, this means broader accessibility and exposure to Alabama's emergency management professionals.

In this packet, you will find everything you need to know about serving as an Exhibitor or Sponsor for this conference. We hope you will look over the information carefully and take advantage of this expanded opportunity. **All registrations must be completed online here no later than Friday, May 17.**

The Exhibition will be a big one-day show on Wednesday, June 12, from 10:45 a.m. until 6:30 p.m. To increase traffic to booths, we will have a strolling lunch and the conference reception inside the Exhibit Hall. **Available booths will be limited and will go quickly, so please register today.** We hope you choose to join us in June!

NOTE: The Exhibition is being held at the Marriott Prattville Hotel and Conference Center in Prattville. No vehicles will be allowed inside the exhibit hall or on the hotel's property.
