Remarks	Escambia County had a negative balance of \$128,000 in FA Funds. We assume this balance will be deducted from our FAEF at the 75% exchange rate.							
	The remaining estimated balance of CRAF will be carried over for projects in next fiscal year's CTP.							
	Project RA-ECP 27-02-2020 will require an estimated \$36,000 in additional funds. Escambia County will use local funds to complete the funding for this project.
