

The following courses have been added to the Approved Course List for Continuing Education Units (CEU).

**Course Title:** All EMI Resident Course Offerings (E, L, V, K Codes)

**Course Description:** Resident Courses (E, L, V, K Codes) - EMI provides resident course training to Federal, state, local, tribal, territorial (SLTT), volunteer, public, and private sector officials to strengthen emergency management core competencies for professional, career-long training. Resident training can be conducted at NETC or at offsite locations throughout the country, including FEMA's Center for Domestic Preparedness in Anniston, Alabama, and the FEMA Logistics Center in Frederick, Maryland. Courses can also be conducted through video teleconference or Adobe Connect.

**Course Title:** All "G" Course Offerings

**Course Description:** State/Local/Tribal Field Courses (G Code) - EMI develops and maintains the curriculum while the states tailor the courses to their communities and provide state-level certificates. The G course curriculum is shaped by EMI's established National G Course Working Group. The Working Group provides broad and diverse input on the needs of the state, local, and tribal stakeholders; current status of the curriculum; and potential opportunities for improvement and growth.

**Course Title:** All National Domestic Preparedness Consortium Course Offerings

- Center for Domestic Preparedness (CDP)
- Energetic Materials Research and Testing Center (EMRTC)
- National Center for Biomedical Research and Training (NCBRT)
- Texas A&M Engineering Extension Service National Emergency Response and Rescue Training Center (TEEX/NERTC)
- National Nuclear Security Administration/Counterterrorism Operations Support - Center for Radiological/Nuclear Training (NNSA/CTOS)
- National Disaster Preparedness Training Center (NDPTC)
- Security and Emergency Response Training Center (SERTC)

**Course Description:** The NDPC's mission is to prepare the Nation and to reduce vulnerability to incidents involving weapons of mass destruction, terrorism, and all-hazard, high-consequence events.
