OMNIA PARTNERS COVID-19 RESOURCES

In this time of uncertainty, we know procurement teams are working tirelessly to address their school and public agency needs but are hindered by their availability to procure the necessary products and services, including personal protective equipment.

OMNIA Partners, a cooperative purchasing organization that provides government and educational institutions access to a large portfolio of competitively solicited contracts from industry-leading suppliers, has assembled a task force to address your evolving needs during this time. This task force is working with the executive teams of our supplier partners to assist in the deployment of their COVID-19 plans.
