Re: County Rebuild Alabama Certificate of Compliance
FY 2020

This certificate of compliance is being submitted as required by the Rebuild Alabama Act to verify a minimum of 50% of the County Rebuild Alabama Funds (CRAFs) for the fiscal year 2020 were expended utilizing a contract. The counties actual expenditures under a contract were 0%.

Clarke County has chosen to save fiscal year 2020 CRAFs to use on a project that will hopefully be let in the summer of 2021 by combining 2020 and 2021 CRAFs.

Should you need any other information related to this project, please feel free to contact this office.
