Re: County Rebuild Alabama Certificate of Compliance  
FY 2020

This certificate of compliance is being submitted as required by the Rebuild Alabama Act to verify a minimum of 50% of the County Rebuild Alabama Funds (CRAFs) for the fiscal year 2020 were expended utilizing a contract. Dallas County did not expend any CRAFs in FY 2020, therefore, actual expenditures under a contract were 0%.

In FY 2021, Dallas County has completed a project utilizing CRAFs as well as awarded a contract project to be funded with CRAFs.

Should you need any other info related to these project, please feel free to contact this office.
