

Rebuild Alabama Act Summary of Bid Procedures

Two funds were created by counties in 2019 to account for new Rebuild Alabama revenues. The 25% portion of the new fuel tax levies under Rebuild Alabama shall be deposited into a new and separate fund called the **County Rebuild Alabama Fund (CRAF), fund number 220**. The federal exchange funds set out in the Rebuild Alabama Act that began Oct 1, 2019, shall be deposited into a new and separate account called the **Federal Aid Exchange Fund (FAEF), fund number 221**.

Pursuant to Act 2021-146, the established bidding procedures submitted by the Association of County Engineer of Alabama (ACEA) and approved by the Department of Examiners of Public Accounts (Examiners), may be used for any county road and bridge project otherwise subject to Chapter 2 of Title 39.

With counties required under the Rebuild Alabama Act to ensure that at least fifty percent (50%) of the **County Rebuild Alabama Funds (CRAFs)** be allocated for projects utilizing established bidding procedures submitted by the Association of County Engineers of Alabama (ACEA) and approved by the Department of Examiners of Public Accounts (Examiners), the ACEA proposes the following apply to the bidding of CRAFs, FAEFs and county road and bridge projects:

- Except as specifically provided in these procedures, all contracts paid for using public funds will comply with the Public Works Law (*Code of Alabama 1975, Title 39*) and the Competitive Bid Law (41-16-50), where applicable.
- The placement of the advertisement for bids and notice of completion on a central website, hosted by the Association of County Commissions of Alabama (ACCA), will satisfy all advertisement requirements for county road and bridge projects utilizing public funds.
- County road and bridge projects will be bid and let to contract according to the schedule and will utilize the sample documents included in this submittal.
- The ACCA will provide notice to ALDOT and the Alabama Roadbuilders Association of this method of advertising and of the sample documents to be used, in an effort to inform all contractors.
- County required reports will be on file for the Examiners to aid in the assurance on the proper expenditure of the funds. Reports will be retained in accordance with the County Record Disposition Authority.
