

MACON COUNTY COMMISSION

JOB ANNOUNCEMENT

**THE MACON COUNTY COMMISSION IS CURRENTLY ACCEPTING
RESUMES FOR THE POSITION OF:**

EQUIPMENT OPERATOR

Under the supervision of the Road Superintendent, the employee operates one or more pieces of heavy equipment in the performance of moderately complex construction and maintenance activities. Employee receives specific instructions from supervisor. Work is performed under established procedures with frequent inspections during progress with final inspection of completed work. Employee performs maintenance inspections on assigned equipment, notifies foreman of equipment failures, and keeps records of work performed. Employee also performs other routine manual labor as assigned.

ESSENTIAL FUNCTION: Equipment Operation. Operates heavy equipment using proper safety gear in order to perform various road and right-of-way (ROW) construction and maintenance operations in a safe and proper manner.

Minimum qualifications & Requirements

1. Two years of experience equipment in road maintenance and construction; or any combination of education, training and experience that demonstrates the above listed knowledge, skills and abilities commensurate with the requirements of this job.
2. Ability to travel throughout the County.
3. Ability to work overtime, weekends, or emergencies as needed.

Salary Negotiable
