Re: County Rebuild Alabama Certificate of Compliance
FY 2021

This certificate of compliance is being submitted as required by the Rebuild Alabama Act to verify a minimum of 50% of the County Rebuild Alabama Funds (CRAFs) expended during fiscal year 2021 were expended utilizing public works contracts. The County's actual percentage of expenditures of CRAF revenue utilizing public works contracts was 30%.

Madison County allocated 60% of CRAF funds to be expended utilizing public works contracts in FY2021. Project delays prevented the expenditure of the remainder of the allocated funds. These projects are moving forward in FY2022 in a manner that will provide greater than 50% expenditure utilizing public works contracts not only in FY2022, but also cumulatively between FY2021 and FY2022.

Should you need any other info related to these projects, please feel free to contact this office.
