

2023

COUNTY ADVOCACY DAYS

County Advocacy Days is an important part of ACCA's effort to ensure the Alabama Legislature is constantly hearing "67 Counties, ONE Voice." Through this initiative, all county leaders are encouraged to select at least one day to come to Montgomery and "walk the halls" of the Alabama Legislature to ensure their legislators are aware of – and supporting – the interests of county government when considering legislation.

This year, the Association's goal is to welcome **50 county leaders** to Montgomery on each designated County Advocacy Day.

COUNTY ADVOCACY DAYS
