Re: County Rebuild Alabama Certificate of Compliance  
FY 2022

This certificate of compliance is being submitted as required by the Rebuild Alabama Act to verify a minimum of 50% of the County Rebuild Alabama Funds (CRAFs) for the fiscal year 2022 were expended utilizing a contract. The counties actual expenditures under a contract were 0%.

Clarke County has chosen to save fiscal year 2022 CRAFs to use on a project that will be constructed in the spring of 2023 by combining 2021, 2022, and 2023 CRAFs.

Should you need any other information related to this project, please feel free to contact this office.
