Specimen Label

STORAGE AND DISPOSAL

No containers shall be food or feed by storage or disposal.

PESTICIDE STORAGE: Store in original container at a minimum level, or food stuffs, or on site or at an approved waste disposal facility.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

DRIP-ON TANKS: Turn off tank pump. Do not reuse or refill this container. Hydrostatic test container (or equivalent) promptly after emptying. Triple rinse all valves. Empty the remaining contents into application equipment or into tank. Fill the container 1/4 full with water and turn on the pump. Turn off the pump and allow the tank to drain. Turn on the tank or valve rinses for 10 seconds after the flow begins. Turn off. Repeat this procedure two more times. Then offer for recycling if available or puncture and dispose of it in accordance with applicable state and local laws. Always wear a mask if burned, stay out of smoke.

CONDITION OF SALE AND LIMITATION OF WARRANTY

AND LIABILITY

To the extent consistent with applicable law, upon purchase or use of this product, purchaser and user agree to the following terms and conditions:

WARRANTY: The Company warrants that this product conforms to the chemical description on the label at the moment of shipping and is reasonably fit for the purpose inherent in the use of the product. The Company makes no other express warranty. The Company makes no warranties concerning the safety of the product, including no implied warranties of merchantability, fitness for a particular purpose, or non-infringement of any applicable law, no such warranty shall be implied by law and no agent or representative is authorized to make any such warranty on the Company's behalf.

DAMAGES: To the extent consistent with applicable law, the Company will not be liable for damages which are the result of carelessness or negligence, unless such damages are caused by the Company's willful misconduct. It is impossible to eliminate all risks inherently associated with use of this product. Crop injury, inefficiencies or other unintended consequences may result from use of this product, including damage to crops, soil, equipment, and other types of property or applications, including failure to achieve labeled treatment, all of which are beyond the Company's control. To the extent consistent with applicable law, the Company will not be liable for any damages resulting from the use of this product.

LIMITATION OF LIABILITY: To the extent consistent with applicable law, the exclusive remedy against the Company for any cause of action relating to the handling or use of this product is a claim for damages, including costs and expenses, not exceeding the amount paid by the customer for the product which caused the alleged loss, damage, injury or other claim. To the extent consistent with applicable law, under no circumstances shall the Company be liable for any damages, including costs and expenses, arising from the use of this product, including lost profits or income. Some states do not allow the exclusion or limitation of incidental or consequential damages.

The Company reserves the right to offer this product, and the purchaser and user accept this product, subject to the foregoing warranty, terms of sale and limitation of liability, which may be varied or modified only by an agreement in writing signed on behalf of the Company by an authorized representative.
