

DALLAS COUNTY COMMISSION
JOB ANNOUNCEMENT

**THE DALLAS COUNTY COMMISSION IS CURRENTLY ACCEPTING
APPLICATIONS/RESUMES FOR THE POSITION OF:**

ASSISTANT COUNTY ENGINEER

JOB SUMMARY: Under the direction of the County Engineer, the Assistant County Engineer performs a wide range of duties, including but not limited to, managing the maintenance and construction of roads and bridges within the Dallas County Road and Bridge System; planning and implementing the work of the Engineering and Road Department under the general policies established by the County Engineer; supervising personnel in the absence of the County Engineer and making decisions regarding maintenance and construction activities and projects.

MINIMUM QUALIFICATIONS: Bachelor's Degree in Civil Engineering from an accredited college or university and certification as an Engineer in Training (EIT) in the State of Alabama (Professional Engineering License, Alabama, preferred but not required); possession of a current and valid AL driver's license; ability to obtain and maintain Certified Bridge Inspector credentials and other certifications and credentials as needed.

This is a professional, full-time position and, as such, is exempt from overtime. Salary commensurate with licensing and experience.

Resumes and applications will be accepted in the Human Resources Department in the Dallas County Administrative Building located at 101 Church St., between the hours of 9:00 a.m. and 4:00 p.m. beginning September 27, 2023, until the position is filled. They may also be mailed to Dallas County Commission, P. O. Box 987, Selma, AL 36702-0987 ATTN: Human Resources Department.
