BID SPECIFICATIONS FOR 16' STEEL DUMP BODY F (AUTOMATIC TRANSMISSION)

GENERAL

These specifications shall be construed as the minimum acceptable standards for a 16' Steel Dump Body. Should the manufacturer's current published data or specifications exceed these standards, the manufacturer's standards shall be considered minimum and shall be furnished. All integral parts not specifically mentioned in the scope of these specifications that are necessary to provide a complete working unit shall be furnished. Additionally, the machine offered for bid shall include all standard manufacturer's equipment. The 16' Steel Dump Body must be a new current production model.

The use of specific names or numbers in the specifications is not intended to restrict the bidder or any seller or manufacturer, but is intended solely for the purpose of indicating the type, size, and quality of equipment considered best adapted to the uses of counties participating in this joint bid.

BID SUBMITTAL FORM

Each bidder must submit his or her bid on the Bid Submittal Form included in the invitation to bid package. All written warranties to be submitted shall be attached to the Bid Submittal Form.

BID PRICE

The price bid shall include all destination charges, delivery charges, title fees, rebates and all other applicable costs and refunds.

REPLACEMENT PARTS AVAILABILITY

Parts must be available for 5 years or 500,000 miles of use for the piece of equipment bid.

ASSEMBLY AND DELIVERY

The dump body will be purchased for use with a heavy-duty dump truck chassis (with Automatic Transmission) bid separately. The dump body company will be responsible for assembly and installation of the dump body and related optional equipment, including the cost of the same. The selling truck chassis dealer will be responsible for delivery of the chassis to the dump body company, for installation. The Dump Body Company will be responsible for delivery of the complete dump truck unit to the Truck Chassis Company following installation, and assembly of the dump body and related options onto the truck chassis. **Freight to the dump body company will be included in the truck bidder's proposal. Dump body installation, assembly and Feight costs back to the Truck Vendor will be included in the dump body bidder's proposal.**

Bidders shall submit a copy of the manufacturer's standard warranty.

DUMP BODY PRODUCT LINE LIMITED WARRANTY AND DISCLAIMER

Logan Corporation provides a twelve-month Limited Warranty (beginning on the delivery date of the equipment) to the original retail purchaser of its dump body line of products. This Limited Warranty covers the original equipment provided by Logan to be free of defects in material and/or workmanship during the warranty period. Damaged or defective parts that were created due to conditions outside of the normal use intended for the product are expressly not covered. Component parts that are not manufactured by Logan will have their warranty limited to the warranty limitations of the respective component providers.

Products covered under this Limited Warranty will be replaced or repaired in Logan Corporation's sole discretion, with all such warranty work to be done at Logan's Salyersville, Kentucky, facility or such other location or facility chosen by Logan Corporation in its sole discretion. Any attempts to repair or replace allegedly defective parts or components of products subject to this Limited Warranty without first obtaining written authorization from Logan Corporation will automatically void this Limited Warranty and Logan Corporation expressly disclaims all liability to purchaser. Logan reserves the exclusive right to specify any repair methods and/or component replacement repairs as it deems necessary in its sole discretion. Any unauthorized repairs to products subject to this warranty shall automatically void this Limited Warranty.

This Limited Warranty does not obligate Logan Corporation to assume liability for the loss of time, or product, or any consequential damages or losses arising directly or indirectly from defects in material and/or workmanship in the products subject to this Limited Warranty, and Logan Corporation expressly disclaims the same.

Additional limitation to this Limited Warranty:

- Logan Corporation will reimburse a maximum of ninety dollars (\$90) per hour for labor for repairs approved by Logan Corporation.
- All power take-off units, hydraulic pumps, hoses, and associated fittings will be warranted for a period of thirty (30) days from original delivery date only. This additional limitation is due to the fact that regular maintenance is necessary to maintain and prevent leaks or fasteners loosening due to vibration and normal use.
- Any equipment that has been added, altered, or removed in any way so as to affect the safety or operational function(s) of the OEM Logan product is expressly exempt from this Limited Warranty.
- Normal maintenance or service is expressly not covered by this Limited Warranty.

Failure to acknowledge receipt and register this warranty shall in no way affect the limitations of warranty outlined herein.

To register the warranty on a new Logan Corporation dump body, go to:
www.logandumpbodies.com.

INVITATION TO BID HEAVY EQUIPMENT NOTICE OF BID OPENING

OPTION
16' steel
Automatic
E

NOTICE IS HEREBY GIVEN that the Association of County Commissions of Alabama, which administers the Alabama County Joint Bid Program on behalf of Alabama's county governing bodies, shall receive and open bids for the purchase of zero (0) or more items of heavy road equipment at its office located at 2 North Jackson Street, Montgomery, Alabama, at **10:00 a.m. on Friday, October 27, 2023**. Bid specifications are available at <http://www.alabamacounties.org/heavy-equipment/> for each of the following items:

Backhoes
Track Mount Excavators
Compact Track Mount Excavators
Mini Track Excavator
Wheeled Excavators
Highway Speed Truck Excavators
Motorgraders
Heavy Duty Hydrostatic Bulldozers
Mulching Dozer
Wheel Loaders
Heavy Duty Dump Chassis'
Lowboy Tractors
Skid Steer Attachments
Asphalt Milling Attachments

Ride-on Industrial Boom Mowers
Rubber Tire Roller
7.5 Ton Single Drum Vibratory Roller
One-man Pothole Patchers
Trailer Mounted Patchers
Trailer Mount Mastic Patcher/Crack Sealer
Asphalt Storage Tanks
Half Round End Dump Trailer
Lowboy Trailers
16' Steel Dump Bodies (Automatic and Manual)

Time is of the essence in submitting bids and only bids received in the Association office by 10:00 a.m. Central Time on Friday, October 27, 2023 will be opened and considered. Bidders and any other interested individuals are invited to attend the bid opening.

NOTICE OF BID OPENING PROCEDURES

All bids for **Heavy Equipment** will be opened and the name(s) of the bidders read aloud on the morning of the bid opening on Friday, **October 27, 2023 at 10:00 a.m.** at 2 North Jackson Street, Montgomery, AL. The specifics of each bid submitted will be compiled by the Association staff thereafter and will be available, **upon written or emailed request**, one week after the bid opening. Requests should be emailed to jointbid@alabamacounties.org.

THE INVITATION PACKAGE

The invitation package for each item to be bid includes: this invitation to bid, the written bid specifications for the particular item of heavy road equipment, and a Bid Submittal Form to be used in submitting a bid for that particular item. Bidders should verify that they have received all pages of the invitation package. If there are any omissions, the bidder should contact **Kenya Howard** in the Association office by mail, fax, or e-mail (jointbid@alabamacounties.org) to request missing pages. It is the responsibility of the bidder to make this request in sufficient time to prepare and submit the bid in time for the bid opening. Bidders should carefully read and comply with all parts of the invitation package, including all attachments and/or any addendum.

PREPARING AND SUBMITTING BIDS

All bids must be typed or hand written in ink on the attached Bid Submittal Form. **The completed Bid Submittal Form shall be placed in front of and separated from all other documents included in the bid packet, such that it will be the first document viewed upon opening the bid packet.**

Bids submitted in pencil and bids not submitted on the Bid Submittal Form will **not** be considered. All bids shall include a current catalog or model specification document for the equipment model number being offered for consideration. Bids submitted without such documentation will **not** be considered. Only information contained on the attached Bid Submittal Form and in the model specification document will be considered in evaluating bids.

Each separate requirement in the bid specification includes a block for indicating whether or not the item bid meets the specification. The bidder shall indicate compliance with each requirement by checking "Yes" or "No" in the block to the right of each bid specification. In addition, the bidder shall indicate the page number in the supplied manufacturer's equipment literature on which compliance with the specification can be verified. Failure to complete this portion of the bid form may result in the subject bid not being considered. Additionally, all bidders are required to submit a factory build/order sheet showing all of the standard and option items for each piece of equipment bid in order to assist the bid review committee in assuring that each bid is in conformance with the required bid specifications.

Each bid for one of the heavy equipment items included in the bid package must be submitted on the Bid Submittal Form for that item and forwarded in a separate envelope with the bid item and item number clearly identified on the outside of the envelope. Envelopes containing a "no bid" shall also include the words "NO BID" on the outside of the envelope. Facsimiles and e-mails will not be accepted. Bids submitted by "Express/Overnight" services must be in a separate inner envelope or package sealed and identified as stated above. All bids must be received in the Association office prior to the bid opening. Bids received after the deadline will be returned unopened.

The County Joint Bid Program reserves the right to require a performance bond from successful bidders as permitted under Alabama law. However, **no bid bond is required for this bid offering.**

All bids should be mailed or hand-delivered to:

**Attn: Joint Bid Program
Association of County Commissions of Alabama
2 North Jackson Street Montgomery, Alabama 36104 (Physical Address)
P.O. Box 5040, Montgomery, Alabama 36103 (Mailing Address)**

BID SPECIFICATIONS

Please note that each piece of heavy equipment available for bid may include several different sizes and categories of machines. You should read each set of specifications very carefully as the differences vary depending upon the piece and size of equipment.

Where applicable, each bid submission shall include the separate cost of each item listed in the "Options" section of the bid specifications. However, all bids will be awarded on the basis of the **total cost of the machine with all options included**. Therefore, the "Bid Price" stated on the Bid Submittal Form must be the total cost, including the cost of all options.

Once the bids have been awarded, any county participant purchasing under this program may, at its discretion, deduct one or more of the options set out in the bid specifications, and in such event, the cost of the option as stated on the bid shall be deducted from the total cost of the machine. There shall be no other deductions and no additions made to the machine by the purchasing county or by the vendor.

Any use of specific names and/or model numbers in the attached specifications is not intended to restrict the bidder or any seller or manufacturer, but is included solely for the purpose of indicating the type, size, and quality of materials, product services, or equipment considered best adapted to the use of the counties participating in the joint bid program.

BIDDER QUALIFICATIONS

All bidders and all program participants must be in compliance with any applicable federal, state, county and municipal laws, regulations, resolutions and ordinances, including but not limited to, licensing, permitting, and taxation requirements. All bidders should be prepared to submit evidence or documentation as proof that they are properly licensed and permitted under any applicable laws upon request. Such evidence or documentation may be submitted with the bid. Additionally, all bidders shall provide proof that they are in compliance with the e-verify requirements of Alabama's Immigration Law (Ala. Code § 31-13-1 et seq., as amended by Act No. 2012-491).

BID AWARD

The Houston County Commission will serve as the awarding authority for all bids and will award all contracts at a regular meeting of the Houston County Commission. Any and all bids submitted in compliance with this invitation to bid shall be considered, and award will be made to the lowest responsible bidder meeting bid specifications as determined by the awarding authority in compliance with Alabama law. All bids will be reviewed and evaluated by a committee created for that purpose, which committee will make comments and recommendations to the awarding authority regarding the award. All factors contained in each invitation package will be evaluated in determining the successful bidder, and any omissions of the stated requirements may be cause for rejection of the bid submitted. The awarding authority reserves the right to reject any and all bids, to waive any informality in bids, and to accept in whole or in part such bid or bids solely at its discretion.

The contract period will be one year with an option to renew for a second and third year under identical price, terms, and conditions upon the mutual consent of the vendor and the awarding authority. Any renewal contract shall be approved in writing by the vendor and the awarding authority no later than 90 days prior to the expiration of the existing contract.

CONTACT REGARDING BIDS AND INVITATION

Contact initiated by a potential bidder with any county official, county employee, or member of the Association staff shall only be as specifically set out in this Invitation to Bid. Any questions related to the bid or the County Joint Bid Program shall be directed to Association staff in writing under the procedures set out in this Invitation to Bid. Additionally, a bidder may contact the Association in writing to request an appointment to review bid specifications following the bid opening. **However, there shall be no communication with any county official or county**

employee regarding this bid between the date of this invitation and the date of bid award. Any contact other than as set out here shall be deemed as an attempt to unduly influence the bid award, and shall be grounds for rejection of the bid submitted by the bidder initiating such other contact.

Any questions or problems related to downloading or obtaining copies of this Invitation to Bid should be directed to **Kenya Howard** at jointbid@alabamacounties.org or **334-263-7594**.

Any other questions or requests for additional information regarding this invitation or the bid specifications shall be submitted **in writing** no later than five (5) days prior to bid opening to:

Logan LE Dump Body

Whether you're hauling dirt or demolition, asphalt or rock, Logan's LE dump body gets the job done. The LE is a multi-purpose body that uses a unique shaped floor and sides to maximize capacity. This shape also deflects impact and increases rigidity, which in turn offers great resistance to the wear and tear of tough jobs.

Logan LE Dump Body

FEATURES:

- Elliptical tub floor with AR450 steel
- Cross-memberless
- Axalta automotive quality finish
- Rides on rubber cushion
- Configurations from ultra-light to heavy duty
- Rear hinge with full-width pin
- LED lights
- Flame-cut all steel hardware and hinge, no castings

OPTIONS:

- Lengths from 10'-30'
- Side heights from 36"-64"
- High lift gate in two configurations
 - External Cylinders
 - Cylinders in rear post
- Side swing gate
- One-piece aluminum diamond plate fender covers
- Weld-on or Bolt-on Apron
- Straight, sloped, or asphalt-tapered rear
- Sloped front with externally-mounted hoist
