Re: County Rebuild Alabama Certificate of Compliance  
FY 2024

This certificate of compliance is being submitted as required by the Rebuild Alabama Act to verify a minimum of 50% of the **County Rebuild Alabama Funds (CRAFs)** for the fiscal year 2024 were expended utilizing a contract. The counties actual expenditures under a contract were 0 %.

Should you need any other info related to these project, please feel free to contact this office.

Currently the County has not used any CRAF expenditures for FY 2024 due to delays in acquiring material for Project RA-GCP-01-01-2024 Bridge Repair. Now that we have been able acquire the material under a new Annual County Bid, the plan to come into compliance will be to use the funds during FY 2025 with a projected cost of \$200,000.00
