Title: Director of Sales

BID SPECIFICATIONS FOR 16' STEEL DUMP BODY F (MANUAL TRANSMISSION)

GENERAL

These specifications shall be construed as the minimum acceptable standards for a 16' Steel Dump Body. Should the manufacturer's current published data or specifications exceed these standards, the manufacturer's standards shall be considered minimum and shall be furnished. All integral parts not specifically mentioned in the scope of these specifications that are necessary to provide a complete working unit shall be furnished. Additionally, the machine offered for bid shall include all standard manufacturers' equipment. The 16' Steel Dump Body must be a new current production model.

The use of specific names or numbers in the specifications is not intended to restrict the bidder or any seller or manufacturer but is intended solely for the purpose of indicating the type, size, and quality of equipment considered best adapted to the uses of counties participating in this joint bid.

BID SUBMITTAL FORM

Each bidder must submit his or her bid on the Bid Submittal Form included in the invitation to bid package. All written warranties to be submitted shall be attached to the Bid Submittal Form.

BID PRICE

The price bid shall include all destination charges, delivery charges, title fees, rebates and all other applicable costs and refunds.

REPLACEMENT PARTS AVAILABILITY

Parts must be available for 5 years or 500,000 miles of use for the piece of equipment bid.

ASSEMBLY AND DELIVERY

The dump body will be purchased for use with a heavy-duty dump truck chassis (with Automatic Transmission) bid separately. The dump body company will be responsible for assembly and installation of the dump body and related optional equipment, including the cost of the same. The selling truck chassis dealer will be responsible for delivery of the chassis to the dump body company, for installation. The Dump Body Company will be responsible for delivery of the complete dump truck unit to the Truck Chassis Company following installation, and assembly of the dump body and related options onto the truck chassis. **Freight to the dump body company will be included in the truck bidder's proposal. Dump body installation, assembly and Freight costs back to the Truck Vendor will be included in the dump body bidder's proposal.**

WARRANTY

Bidders shall submit a copy of the manufacturer's standard warranty.

Truck Body Limited Warranty

Ox Bodies, Inc., a subsidiary of Truck Bodies and Equipment International (TBEI), warrants all new truck bodies and/or accessories purchased directly from Ox Bodies or from authorized re-sellers of Ox Bodies products for a period of 1 year from the date of sale to end the user/customer. This warranty must be activated with Ox Bodies within 30 days of sale to the end user/customer to be valid. This warranty is not transferrable once activated by the dealer or the end user/customer and warrants that our products shall be free of defects in material and workmanship under normal operating conditions and when properly maintained and operated as directed in the owner's manual for the duration of the warranty period.

This warranty is limited to truck bodies and/or accessories manufactured and/or installed by Ox Bodies; or installed by Ox Bodies authorized install sites. It does not cover post-production or distributor modifications made by other than Ox Bodies. These modifications include, but are not limited to:

- Installation of tarp (by other than Ox Bodies)
- Installation of vibrator (by other than Ox Bodies)
- Installation of bodies and stand alone components purchased from but not installed by Ox Bodies shall not be warranted.
- Any design modifications made by the end user/customer to the original Ox Bodies unit

Repair, replacement, or credit is at Ox Bodies discretion. Ox Bodies will not reimburse for work performed without prior authorization. Ox Bodies reserves the right to refuse estimates deemed excessive.

Environmental damage resulting from time spent on dealer lots is not covered by this warranty. This damage can include but is not limited to:

- Rust
- Storm damage
- Exposure to extreme temperatures
- Hoist failure as a result of being displayed for extended periods in the raised position

Paint warranty is limited to adhesion to metal surfaces only, and does not include either the inside or the understructure of truck bodies. Due to the nature of the product and its intended applications, truck bodies are painted white at the customer's own risk, and shall not be covered by this warranty.

Items such as loose bolts, loose or ungreased fittings, hydraulic leaks, electrical connections, loose lift axle mounting hardware, and unusual noises shall be warranted for a period of 90 days from date of sale to end user/customer. Issues of this nature reported after 90 days shall be considered the result of normal wear and subject to regular maintenance by the customer as detailed in the owner's manual and are not covered by Ox Bodies warranty. Failure to follow the maintenance regimen outlined in the owner's manual for the truck body and/or accessories will void the warranty. These items include but are not limited to:

- Grease fittings
- Tailgate pins
- Tailgate hinge bushings
- Hydraulic cylinder pins
- Rear hinge fittings
- Torque of bolts

This warranty is void if the unit has been abused, or has been subject to other than normal usage as explained in the owner's manual. No other obligation is assumed or authorized by Ox Bodies other than herein set forth.

Ox Bodies assumes no responsibility for fit, form, function, or failure of the chassis. Dealerships and distributors are responsible for the condition of the chassis prior to delivery to the customer. Damage occurring to the chassis before arriving at or leaving Ox Bodies premises shall not be warranted. Cosmetic damage resulting from transport will be covered only if the unit is hauled by Ox Bodies, and only if the damage is reported within 24 hours of delivery.

Ox Bodies does not assume any liability for any secondary charges, travel, loss of use, down time, or any other incidental or consequential expenses.

Ride On Industrial Boom Mowers

Time is of the essence in submitting bids and only bids received in the Association office by 10:00 a.m. Central Time on Tuesday, November 18, 2025 will be opened and considered. Bidders and any other interested individuals are invited to attend the bid opening.

NOTICE OF BID OPENING PROCEDURES

All bids for Heavy Equipment will be opened and the name(s) of the bidders read aloud on the morning of the bid opening on Tuesday, November 18, 2025 at 10:00 a.m. at 2 North Jackson Street, Montgomery, AL. The specifics of each bid submitted will be compiled by the Association staff thereafter and will be available, upon written or emailed request, one week after the bid opening. Requests should be emailed to jointbid@alabamacounties.org.

THE INVITATION PACKAGE

The invitation package for each item to be bid includes: this invitation to bid, the written bid specifications for the particular item of heavy road equipment, and a Bid Submittal Form to be used in submitting a bid for that particular item. Bidders should verify that they have received all pages of the invitation package. If there are any omissions, the bidder should contact **Kenya Howard** in the Association office by mail, fax, or e-mail (jointbid@alabamacounties.org) to request missing pages. It is the responsibility of the bidder to make this request in sufficient time to prepare and submit the bid in time for the bid opening. Bidders should carefully read and comply with all parts of the invitation package, including all attachments and/or any addendum.

PREPARING AND SUBMITTING BIDS

All bids must be typed or handwritten in ink on the attached Bid Submittal Form. **The completed Bid Submittal Form shall be placed in front of and separated from all other documents included in the bid packet, such that it will be the first document viewed upon opening the bid packet.**

Bids submitted in pencil and bids not submitted on the Bid Submittal Form **will not** be considered. All bids shall include a current catalog or model specification document for the equipment model number being offered for consideration. Bids submitted without such documentation **will not** be considered. Only information contained on the attached Bid Submittal Form and in the model specification document will be considered in evaluating bids.

Each separate requirement in the bid specification includes a block for indicating whether or not the item bid meets the specification. The bidder shall indicate compliance with each requirement by checking "Yes" or "No" in the block to the right of each bid specification. In addition, the bidder shall indicate the page number in the supplied manufacturer's equipment literature on which compliance with the specification can be verified. Failure to complete this portion of the bid form may result in the subject bid not being considered. Additionally, all bidders are required to submit a factory build/order sheet showing all of the standard and option items for each piece of equipment bid in order to assist the bid review committee in assuring that each bid is in conformance with the required bid specifications.

Each bid for one of the heavy equipment items included in the bid package must be submitted on the Bid Submittal Form for that item and forwarded in a separate envelope with the bid item and item number clearly identified on the outside of the envelope. Envelopes containing a "no bid" shall also include the words "NO BID" on the outside of the envelope. Facsimiles and e-mails will not be accepted. Bids submitted by "Express/Overnight" services must be in a separate inner envelope or package sealed and identified as stated above. All bids must be received in the Association office prior to the bid opening. Bids received after the deadline will be returned unopened.

The County Joint Bid Program reserves the right to require a performance bond from successful bidders as permitted under Alabama law. However, **no bid bond is required for this bid offering.**

All bids should be mailed or hand-delivered to:

**ATTN: Alabama County Joint Bid Program
Association of County Commissions of Alabama or ACCA
2 North Jackson Street, FL 7, Montgomery, Alabama 36104 (Physical Address)
P.O. Box 5040, Montgomery, Alabama 36103 (Mailing Address)**

BID SPECIFICATIONS

Please note that each piece of heavy equipment available for bid may include several different sizes and categories of machines. You should read each set of specifications very carefully as the differences vary depending upon the piece and size of equipment.

Where applicable, each bid submission shall include the separate cost of each item listed in the "Options" section of the bid specifications. However, all bids will be awarded on the basis of the **total cost of the machine with all options included**. Therefore, the "Bid Price" stated on the Bid Submittal Form must be the total cost, including the cost of all options.

Both parties agree that the Vendor SHALL extend to ALL counties purchasing this equipment any factory discounts, incentives or rebates that become available during the Contract Period; provided that there are no alterations from the bid specifications for this item required in order to receive the discount, incentive, or rebate. FURTHER, BOTH PARTIES AGREE THAT THE VENDOR SHALL EXTEND TO ALL COUNTIES PURCHASING THIS EQUIPMENT THE SAME PURCHASE PRICE AND DISCOUNTS AS THEY ARE AWARDED ON ANY OTHER NATIONAL PURCHASING COOPERATIVE APPROVED BY THE DEPARTMENT OF EXAMINERS OF PUBLIC ACCOUNTS FOR USE BY ALABAMA COUNTIES.

Once the bids have been awarded, any county participant purchasing under this program may, at its discretion, deduct one or more of the options set out in the bid specifications, and in such event, the cost of the option as stated on the bid shall be deducted from the total cost of the machine. There shall be no other deductions and no additions made to the machine by the purchasing county or by the vendor.

Any use of specific names and/or model numbers in the attached specifications is not intended to restrict the bidder or any seller or manufacturer but is included solely for the purpose of indicating the type, size, and quality of materials, product services, or equipment considered best adapted to the use of the counties participating in the joint bid program.

BIDDER QUALIFICATIONS

All bidders and all program participants must be in compliance with any applicable federal, state, county and municipal laws, regulations, resolutions and ordinances, including but not limited to, licensing, permitting, and taxation requirements. All bidders should be prepared to submit evidence or documentation as proof that they are properly licensed and permitted under any applicable laws upon request. Such evidence or documentation may be submitted with the bid. **Additionally, all bidders shall provide proof that they are in compliance with the E-Verify requirements of Alabama's Immigration Law (Ala. Code § 31-13-1 et seq.). All bidders shall also affirm that they are in compliance with, and will comply with, Alabama's anti-boycott law (Ala. Code § 41-16-5) and anti-economic boycott law (Ala. Code § 41-16-160 et seq.).**

BID AWARD

The Houston County Commission will serve as the awarding authority for all bids and will award all contracts at a regular meeting of the Houston County Commission. Any and all bids submitted in compliance with this invitation to bid shall be considered, and award will be made to the lowest responsible bidder meeting bid specifications as determined by the awarding authority in compliance with Alabama law. All bids will be reviewed and evaluated by a committee created for that purpose, which committee will make comments and recommendations to the awarding authority regarding the award. All factors contained in each invitation package will be evaluated in determining the successful bidder, and any omissions of the stated requirements may be cause for rejection of the bid submitted. The awarding authority reserves the right to reject any and all bids, to waive any informality in bids, and to accept in whole or in part such bid or bids solely at its discretion.

The contract period will be six (6) months with an option to renew each six (6) months not to exceed a period of three (3) years under identical price, terms, and conditions upon the mutual consent of the vendor and the awarding authority. Any renewal contract shall be approved in writing by the vendor and the awarding authority no later than **60 days** prior to the expiration of the existing contract.

CONTACT REGARDING BIDS AND INVITATION

Contact initiated by a potential bidder with any county official, county employee, or member of the Association staff shall only be as specifically set out in this Invitation to Bid. Any questions related to the bid or the County Joint Bid Program shall be directed to Association staff in writing under the procedures set out in this Invitation to Bid. Additionally, a bidder may contact the Association in writing to request an appointment to review bid specifications following the bid opening. However, there shall be no communication with any county official or county employee regarding this bid between the date of this invitation and the date of bid award. Any contact other than as set out here shall be deemed as an attempt to unduly influence the bid award and shall be grounds for rejection of the bid submitted by the bidder initiating such other contact.

Any questions or problems related to downloading or obtaining copies of this Invitation to Bid should be directed to Kenya Howard at jointbid@alabamacounties.org or 334-263-7594.

Any other questions or requests for additional information regarding this invitation or the bid specifications shall be submitted **in writing** no later than five (5) days prior to bid opening to:
