Re: County Rebuild Alabama Certificate of Compliance
FY 2025

This certificate of compliance is being submitted as required by the Rebuild Alabama Act to verify a minimum of 50% of the County Rebuild Alabama Funds (CRAFs) for the fiscal year 2025 were expended utilizing a contract. Due to a delay in the contractor's scheduled project start date, the county's actual expenditure under a contract during FY 2025 was 2%. The contractor has since started construction, and the county's expenditure under a contract during the calendar year 2025 was 64%. Should you need any other info related to this project, please feel free to contact this office.
