

PROPOSAL

September 21, 2026

FOR THE CONSTRUCTION OF:
*Dallas County Annual Paving and Asphalt Plant Mix Bid,
2026-2027 Year Bid No. 1*

DALLAS COUNTY, ALABAMA

Proposal of
Contractor Name: _____

Of (City, State): _____

ALDOT Contractor Identification Number: _____
(To be used to document E-Verify)

Alabama General Contractors License Number: _____

For the Construction Of:
Dallas County Annual Paving and Asphalt Plant Mix Bid, 2026-2027 Bid No. 1

The specifications are hereto attached.

In order to be considered, proposals must be received at the location and time below:

Dallas County Commission
P.O. Box 987
Selma, Alabama 36702
102 Church Street
Selma, Alabama 36701
Phone: (334) 874-2503

BEFORE: 10:30 AM on Tuesday, October 6, 2026

Bids will be opened as soon thereafter as practicable. Award will be made at the next regularly scheduled meeting of the Dallas County Commission.

NOTICE TO CONTRACTORS

Gentlemen:

Dallas County is taking bids for labor, equipment, materials, and any incidentals required to complete the work of the following items required for the Dallas County Annual Paving and Asphalt Plant Mix Bid, 2026-2027 Year Bid No. 1, work of the County. This bid is intended to comply with the Rebuild Alabama Act, No. 2019-2, and Alabama Code Title 39, the Alabama Public Works Law. Bidders shall be required to comply with the provisions of the Rebuild Alabama Act, No. 2019-2 and Title 39 of the Alabama Code regardless if the requirement is explicitly detailed in the bid proposal or not. This bid shall be in effect from October 12th 2026 until September 30th 2027 covering any Purchase Orders issued by Dallas County during that time frame.

Sealed bids will be received by the Dallas County Commission in Room 104 of the J.L. Chestnut, Jr. and Bruce Boynton Judicial Building located at 102 Church Street in Selma, Alabama until 10:30 AM Central Time on Tuesday, October 6, 2026, and then publicly opened as soon thereafter as practicable. Award will be made at the next regularly scheduled meeting of the Dallas County Commission. Only bids from contractors or material suppliers listed on the Alabama Department of Transportation (ALDOT) approved list of contractors and material suppliers will be accepted. All bids must be marked with the word "BID" on the outside of the bid package along with Bid Proposal for Dallas County Annual Paving and Asphalt Plant Mix Bid, 2026-2027 Year Bid No. 1, the bid date, and the Alabama General Contractor's License Number.

The contractor shall meet all Alabama Department of Transportation (ALDOT) Bonding and Licensing requirements as well as all applicable laws, ordinances, and codes of the U. S. Government, the State of Alabama, any relevant municipality, and the COUNTY, and, specifically and without limitation, shall comply with all provisions of the Beason-Hammond Alabama Taxpayer and Citizen Protection Act, commonly referred to as the Immigration Act.

All bid items shall be placed in accordance with the bid items and specifications, current revision of the Alabama Department of Transportation Standard Specifications (non-metric edition), and any Supplemental Specifications approved by the Dallas County Engineer. This project is being advertised, let to contract, and administered by an awarding authority other than the Alabama Department of Transportation (ALDOT). All references made in the standard specifications and in other related and included documents of this proposal, to ALDOT (except as applies to references made to ALDOT considering a bidder to be disqualified from bidding, or to the awarding authority consulting or interacting with ALDOT, etc.), the "State", the "Department" or "Highway Department", etc. shall be understood to mean the awarding authority for this project.

Should the bidder desire to offer a substitute for any item listed in this proposal, a full description of the item(s) offered as substitutes shall be submitted to the County Engineer at least 48 hours before the time stated for opening the bids. The County Engineer will issue an addendum, if necessary, to all bidders who have obtained a bid proposal. Each bidder shall include a copy of the addendum with his/her signature indicating they had received the addendum when submitting their bid. If no addendum is issued, the substitute will not be considered in determining the lowest responsible bidder. No bid proposals or additional addenda will be issued 24 hours prior to the time of the bid opening.

Signature on bid must be in ink. Bids made out in pencil will NOT be accepted. Dallas County reserves the right to accept or reject all Bids or any portion thereof. Dallas County Hours of Operation are 8:30 A.M. to 4:30 P.M. (Central Time) from Monday through Friday. Please remit all Bids and Inquiries to Dallas County Commission, 102 Church Street, P.O. Box 987, Selma, Alabama 36702, Phone: 334-874-2560.

BID PROPOSAL FOR

Annual Paving and Asphalt Plant Mix Bid, 2026-2027 Year Bid No. 1

To the Dallas County Commission:

The undersigned shall give Dallas County at least 48 hours' notice in advance of performing work at any site once a Purchase Order has been issued by Dallas County. The undersigned must receive written permission to work on Saturdays, Sundays, or County recognized holidays 48 hours prior to such work commencing. Unless otherwise directed in writing by the County Engineer, the undersigned will be expected to begin work within 15 calendar days after issuance of the Purchase Order. The undersigned will be given a minimum of

10 (X) Working Days

NA () Calendar Days

as defined in the current revision of the Alabama Department of Transportation Standard Specifications, per Purchase Order. Each Purchase Order shall designate the number of working days or calendar days allowed. Should the undersigned fail to complete the project or projects specified in the Purchase Order within the working days or calendar days stipulated, liquidated damages shall be assessed as defined in section 108.10 in the current revision of the Alabama Department of Transportation Standard Specifications or as amended by Special Provision.

A certified check, drawn on an Alabama Bank, or bid bond, for \$10,000 made payable to the Dallas County Commission is enclosed as evidence of good faith. Within 15 days upon notification of bid award, the undersigned shall submit a Performance Bond for \$1,000,000.00 and a Payment Bond for \$500,000.00 to the Dallas County Commission along with the contract documents, certificate of public liability insurance, certificate of proof of workman's compensation insurance, and business license. The undersigned shall provide to the County his/her Alabama Department of Transportation (ALDOT) Vendor Identification Number as shown on the E-Verify Compliance Status List on the ALDOT website as proof of enrollment in E-Verify.

The successful bidder shall be required to meet all post construction advertising requirements under the Rebuild Alabama Act, No. 2019-2 and Alabama Code Title 39. The undersigned shall submit the "Advertisement of Project Completion" to Dallas County immediately following the completion and acceptance of all work required, per Purchase Order. The County Engineer will submit the advertisement to the Association of County Commissions of Alabama (ACCA) to be posted on a website maintained by ACCA for a period of four consecutive weeks.

Upon completion and acceptance of all work required, the undersigned will be paid upon presentation of the following:

- a. A properly executed and duly certified voucher for final payment.
- b. A release of all claims and claims of liens against the awarding authority arising by virtue of the contract.
- c. Proof of Advertisement of project completion (AL Code 39-1-1(f) requires a 30-day waiting period after the notice has run before final settlement can be made)

The undersigned agrees: Final payment will be made within 35 days after all the above requirements are met; Partial Payments, to be paid no more than monthly, for each Purchase Order will be provided under this contract; Retainage shall be withheld on each Proceed Order as required under Code of Alabama Section 39-2-12.

By submitting this proposal, the contracting parties affirm, for the duration of the agreement, that they will not violate the federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the agreement and shall be responsible for all damages resulting therefrom.

INSURANCE REQUIREMENTS

The Contractor, at its sole expense, shall obtain and maintain in full force the following insurance to protect the Contractor and the County Commission of Dallas County, Alabama at limits and coverages specified below. These limits and coverages specified are the minimum to be maintained and are not intended to represent the correct insurance needed to fully and adequately protect the Contractor.

All insurance will be provided by insurers licensed to conduct business in the State of Alabama and shall have a minimum A.M. Best rating of A- VII and must be acceptable to the Dallas County Commission. Self-insured plans and/or group funds not having an A.M. Best rating must be submitted to the Dallas County Commission for prior approval.

No work shall be performed until proof of compliance with the insurance requirements has been received by the Dallas County Commission.

(a) Worker's Compensation and Employers Liability

Part One: Statutory Benefits as required by the State of Alabama

Part Two: Employers Liability

Each Accident	\$3,000,000
Each Employee	\$3,000,000
Policy Limit	\$3,000,000

- i. U. S. Longshoremen & Harborworkers' Act (USL&H) -
Required if contract involves work near a navigable waterway that may be subject to the USL&H law.
- ii. Maritime Endorsement (Jones Act) -
Endorsement required if contract involves the use of a Vessel.
Or include coverage for "Master or Members or Crew" under "Protection and Indemnity" coverage

Bodily Injury by accident (Each Accident)	\$3,000,000
Bodily Injury by disease (Aggregate)	\$3,000,000

(b) Commercial General Liability

Coverage on an Occurrence form with a combined single limit (Bodily Injury and Property Damage combined) as follows:

	<u>Projects</u>
Each Occurrence	\$3,000,000
Personal and Advertising Injury	\$3,000,000
Products/completed	\$3,000,000
Operation Aggregate	
General Aggregate	\$3,000,000

- Coverage to include:
 - Premises and operations
 - Personal Injury and Advertising Injury
 - Independent Contractors
 - Blanket Contractual Liability
 - Explosion, Collapse and Underground hazards
 - Broad Form Property Damage
 - Products/Completed Operations - This shall remain in effect for 24 months beyond completion and acceptance by owner of the project, whichever is later.
 - Railroad Protective Liability Insurance if work involves construction, demolition or maintenance operations on or within 50 feet of a railroad.

The contractor shall name the Dallas County Commission, its officers, appointees, employees, and agents as additional insured for claims arising out of the Contractors and/or Subcontractors work. The ISO Form CG 20 10 11 85 or a comparable form that is no more restrictive shall be required. The Additional Insured form MUST include the current Operations and Products/Completed Operations of the contractor. The naming of the additional insured does not obligate the additional insured to pay any premiums due.

- Aggregate limits to be on a "per project" basis OR an Owners and Contractors Protective Liability Policy shall be provided in the name of Dallas County Commission, the contractor and Subcontractors. Limits to be the same as above Commercial General Liability.

(c) **Automobile Liability**

Covering all Owned, Non-Owned, and Hired vehicles with a Combined single limit (bodily injury and property damage combined) of \$3,000,000 each accident. The policy shall name the Dallas County Commission its officers, appointees, employees, and agents as an Additional Insured.

(d) **Protection and Indemnity Insurance**

If the contract involves work aboard an Owned, Non-Owned or Hired Vessel, Liability coverage in the amount of \$3,000,000 per occurrence shall be maintained.

(e) **Indemnification and Liability**

Under this section the term County shall include Dallas County, the Dallas County Commission, the officers, appointees, department heads, agents, and employees of the Dallas County Commission.

The County shall not be liable for any injury to the person or property of any person, firm, or corporation resulting directly or indirectly from Contractor's performance of this Contract, and the Contractor assumes full and complete responsibility, therefore.

The Contractor shall further indemnify the County and hold the County safe and harmless from any and all liability, lawsuits, judgments, attorney fees, and other costs incurred by the County in defending any claim or lawsuit made against the County by any person, firm, or corporation arising directly or indirectly out of any work performed by the Contractor pursuant hereto or any breach or alleged breach of duty or responsibility of the Contractor related thereto.

Waiver of Subrogation

The Workers Compensation Policy shall contain a Waiver of Subrogation in favor of the Dallas County Commission, its officers, appointees, employees, and agents.

Certificate of Insurance

A Certificate of Insurance evidencing the above minimum requirements must be provided to and accepted by the Dallas County Commission PRIOR to commencement of any work on the contract. Each policy shall be endorsed by the issuing insurer to provide thirty (30) days prior written notice of cancellation to the Dallas County Commission.

2026-2027 Year Bid No. 1
Annual Paving and Asphalt Plant Mix

Dallas County Commission
Dallas County, Alabama
P.O. Box 987
Selma, Alabama 36702
Phone: (334) 874-2560

September 21, 2026

The Dallas County Commission is requesting sealed bids for purchase of the following items:

ANNUAL PAVING AND ASPHALT PLANT MIX

NOTE: This bid will be effective beginning October 12, 2026 and ending September 30, 2027.

PLANT MIX QUALIFICATIONS:

1. The type mix required will be specified under Section 424 in the Alabama Department of Transportation (ALDOT) Standard Specification for Highway Construction, current edition, and any applicable revisions or special provisions issued since that date.
2. The specified mix will be purchased as needed, per quantity range for specific situation No. 1 (see qualification No. 6), at the pleasure of Dallas County, Alabama, beginning October 12, 2026 and ending September 30, 2027.
3. Bid price is required for Section 424 as mentioned in above paragraph. No substitutions in mix or material will be allowed under this contract.
4. The bid submitted shall state exact location of the plant, or plants, which will be utilized for performance in the event that the bid is accepted. Job mix formulas certified by ALDOT will be required for the 424 mixes being supplied to Dallas County. Any plant producing asphalt plant mix must be currently certified and maintain that Certification by Alabama Department of Transportation. Dallas County further requires that the asphalt plant be certified by ALDOT for all state work. Proof of Certification/Approval of plant by Alabama Department Transportation must be available if requested. In the event the successful bidder should fail to maintain certification of its plant any time after bid award and during the period of this bid, the Dallas County Commission shall be promptly notified.
5. Each hot mix asphalt plant shall be equipped with a laboratory as specified under Section 410 in the ALDOT Standard Specifications for Highway Construction, current edition, and any applicable revisions or special provisions issued since that date.

6. Dallas County requires bids for the (1) Price per ton in place with all labor, equipment & material provided by contractor for each of the bituminous concrete materials listed below as per quantities listed below:

Bituminous Concrete Materials

424A-336	Superpave Bituminous Concrete Wearing Surface Layer, 3/8" maximum aggregate size mix, ESAL Range A/B
424A-338	Superpave Bituminous Concrete Wearing Surface Layer, Leveling, 3/8" maximum aggregate size mix, ESAL Range A/B
424A-340	Superpave Bituminous Concrete Wearing Surface Layer, 1/2" maximum aggregate size mix, ESAL Range A/B
424A-341	Superpave Bituminous Concrete Wearing Surface Layer, 3/4" maximum aggregate size mix, ESAL Range A/B
424A-342	Superpave Bituminous Concrete Wearing Surface Layer, 1" maximum aggregate size mix, ESAL Range A/B
424A-346	Superpave Bituminous Concrete Wearing Surface Layer, Leveling, 1/2" maximum aggregate size mix, ESAL Range A/B
424A-347	Superpave Bituminous Concrete Wearing Surface Layer, Leveling, 3/4" maximum aggregate size mix, ESAL Range A/B
424A-348	Superpave Bituminous Concrete Wearing Surface Layer, Leveling, 1" maximum aggregate size mix, ESAL Range A/B
424C-351	Superpave Bituminous Concrete Base Layer, Widening, 1 1/2" maximum aggregate size mix, ESAL Range A/B

The range of quantities for specific situation (1) are:

Option (A)	50-249 Tons
Option (B)	250-1000 Tons
Option (C)	1001-2500 Tons
Option (D)	2501-5000 Tons
Option (E)	Greater than 5000 Tons

The bidder shall note that for options (A) – (E) these quantities listed are not quantities per individual site but rather a summation of quantities used per sites and can include a

total of both surfacing, leveling, and widening quantities. However, the distance from one site to the next site cannot exceed two-miles.

7. The successful bidder must have the capability of delivery & placing at least 100 tons per hour daily, if requested by Dallas County.
8. Bituminous material price adjustments will be made for asphalt cement each month with September 2026 being the base index month. The contractor shall submit the ALDOT approved mix design for each mix being utilized.
9. The contractor shall be responsible for all traffic control and temporary work zone signs as per the MUTCD and ALDOT requirements for all items bid. Traffic control is being bid as part of this bid inquiry and shall be the responsibility of the contractor. The contractor is responsible for traffic control and any issues that arise due to the contractor's ability to handle traffic during construction. All costs associated with required traffic control and traffic control signs shall be a subsidiary of the item being bid.

All Items bid shall include costs associated with required traffic control and traffic control signs.

Bid Prices as Follows:

1. Price per ton with all labor, equipment and materials provided by contractor.
All signs and traffic control measures should be included in this price.

Item 401B-108 Bituminous Treatment G (With Polymer Additive)
Option

A	(0-1,000)	_____	per square yard
B	(1,001-5,000)	_____	per square yard
C	(5,001-10,000)	_____	per square yard
D	(10,001-20,000)	_____	per square yard
E	(20,001-40,000)	_____	per square yard
F	(OVER 40,000)	_____	per square yard

5. A separate bid price will be required for Aggregate Surfacing. The work performed under Aggregate Surfacing must conform to Section 430 of the current ALDOT Specifications. Aggregate surfacing shall be a price per ton, complete in place, as described in Section 430 of the current ALDOT Specifications (Price per ton).

Item 430B-047 (Aggregate Surfacing (3/4" Down, Crusher Run))
 _____ per ton

6. A separate bid price will be required for Machine Grading Shoulders. The work performed under Machine Grading Shoulders must conform to Section 212 of the current ALDOT Specifications. Machine grading of the shoulders shall be a price per station, complete in place, as described in Section 212 of the current ALDOT Specifications (Price per station).

Item 212A-000 (Machine Grading Shoulders) _____ per station

7. A separate bid price will be required for Machine Grading Shoulders. The work performed under Machine Grading Shoulders must conform to Section 212 of the current ALDOT Specifications. Machine grading of the shoulders shall be a price per station, complete in place, as described in Section 212 of the current ALDOT Specifications (Price per station).

Item 212A-000 (Machine Grading Shoulders) _____ per station

8. A separate bid price will be required for Seeding. The work performed under Seeding must conform to Section 652 of the current ALDOT Specifications. Seeding shall be a price per acre, complete in place, as described in Section 652 of the current ALDOT Specifications (Price per acre).

Item 652A-100 (Seeding) _____ per acre

9. A separate bid price will be required for Mulching. The work performed under Mulching must conform to Section 656 of the current ALDOT Specifications. Mulching shall be a price per acre, complete in place, as described in Section 652 of the current ALDOT Specifications (Price per acre).

Item 656A-010 (Mulching) _____ per acre

10. A separate bid price will be required for Topsoil, furnished and placed. The work performed under Topsoil must conform to Section 650 of the current ALDOT Specifications. Topsoil shall be a price per cubic yard, furnished, complete in place, as described in Section 650 of the current ALDOT Specifications (Price per cubic yard). All signs and traffic control measures should be included in this price.

The range of quantities for Topsoil are:

- Option (A) 50-200 Cubic Yards
- Option (B) 201-500 Cubic Yards
- Option (C) Greater than 500 Cubic Yards

The bidder shall note that for options (A) – (C) these quantities listed are not quantities per individual site but rather a summation of quantities used per sites. However, the distance from one site to the next site cannot exceed two-miles.

Item 650A-000, Topsoil

Option

A	(50-200)	_____	Price per cubic yard
B	(201-500)	_____	Price per cubic yard
C	(>500)	_____	Price per cubic yard

11. A separate bid price will be required for Borrow Excavation, furnished and placed. The work performed under Borrow Excavation must conform to Section 210 of the current ALDOT Specifications. Borrow Excavation shall be a price per cubic yard, furnished, complete in place, as described in Section 210 of the current ALDOT Specifications (Price per cubic yard). All signs and traffic control measures should be included in this price.

The range of quantities for Borrow Excavation are:

Option (A)	50-200 Cubic Yards
Option (B)	201-500 Cubic Yards
Option (C)	Greater than 500 Cubic Yards

The bidder shall note that for options (A) – (C) these quantities listed are not quantities per individual site but rather a summation of quantities used per sites. However, the distance from one site to the next site cannot exceed two-miles.

Item 210D-023, Borrow Excavation (Loose Truckbed Measurement) (A-4(0) or Better)

Option

A	(50-200)	_____	Price per cubic yard
B	(201-500)	_____	Price per cubic yard
C	(>500)	_____	Price per cubic yard

12. A separate bid price will be required for Planing (Milling) of Existing Asphalt. The Planing (Milling) of Existing Asphalt shall conform to Section 408 of the current ALDOT Specifications. Price should include planing of the pavement, transporting removed surplus material, removal of grinding residue and satisfactory disposal of all materials and for the cleaning of the pavement asphalt, etc. as described in Section 408 of the current ALDOT Specifications (Price per square yard).

The bidder shall note that for options (A) – (C) these quantities listed are not quantities per individual site but rather a summation of quantities used per sites. However, the distance from one site to the next site cannot exceed two-miles. All traffic signs and traffic control measures should be included in the bid price.

Item 408A-051 Planing Existing Asphalt (Approximately 0.00" Thru 1.0" Thick)- Per SY

Option

- | | | | |
|---|----------------------|-------|-----------------------|
| A | (1,000 SY-6,000 SY) | _____ | Price per square yard |
| B | (6,001 SY-12,000 SY) | _____ | Price per square yard |
| C | (12,001+ SY) | _____ | Price per square yard |

Item 408A-052 Planing Existing Asphalt (Approximately 1.10" Thru 2.0" Thick)- Per SY

Option

- | | | | |
|---|----------------------|-------|-----------------------|
| A | (1,000 SY-6,000 SY) | _____ | Price per square yard |
| B | (6,001 SY-12,000 SY) | _____ | Price per square yard |
| C | (12,001+ SY) | _____ | Price per square yard |

Item 408A-053 Planing Existing Asphalt (Approximately 2.10" Thru 3.0" Thick)- Per SY

Option

- | | | | |
|---|----------------------|-------|-----------------------|
| A | (1,000 SY-6,000 SY) | _____ | Price per square yard |
| B | (6,001 SY-12,000 SY) | _____ | Price per square yard |
| C | (12,001+ SY) | _____ | Price per square yard |

13. A separate bid prices will be required for Traffic Stripe, Traffic Control Markings and Legends, and Pavement Markers. The work performed under Traffic Stripe must conform to Section 701, Traffic Control Markings and Legends must conform to Section 703, and Pavement Markers must conform to Section 705, all sections listed in the current ALDOT Specifications. All signs and traffic control measures should be included in this price.

The total minimum dollar volume ordered for Class 1 Striping shall exceed five thousand dollars (\$5,000.00) per purchase order.

The total minimum dollar volume ordered for Class 2 Striping shall exceed twelve thousand dollars (\$12,000.00) per purchase order.

The total minimum dollar volume ordered for Class 2T Striping shall exceed twelve thousand dollars (\$12,000.00) per purchase order.

The total minimum dollar volume ordered for Control Markings & Legends Class 2 or Rumble Strips shall exceed three thousand, five hundred dollars (\$3,500.00) per purchase order.

The total minimum dollar volume ordered for Temporary Traffic Stripe shall exceed one thousand, five hundred dollars (\$1,500.00) per purchase order.

The total minimum dollar volume ordered for Road Pavement Markers shall exceed three thousand, five hundred dollars (\$3,500.00) per purchase order.

All bidders shall be licensed in the State of Alabama.

A certified check drawn on an Alabama Bank, or bid bond, for \$10,000.00 is required to be submitted with all bids.

The successful bidder shall submit all insurance requirements as previously stated. Dallas County Commission shall also be named as an additional insured on all insurance policies previously referenced for the duration of any projects performed under this bid.

E-VERIFY REQUIREMENT: In accordance with the Code of Alabama, 1975 as amended, §31-13-9, the successful bidder, “shall not knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama and shall attest to such, by sworn affidavit signed before a notary.” Additionally, the business entity “shall provide documentation establishing that [it] is enrolled in the E-Verify program” and that during the contract period, it “shall participate in the E-Verify program and shall verify every employee that is required to be verified according to the applicable federal rules and regulations.” This section shall also apply to subcontractors.

Upon request, Test Reports shall be submitted on all materials before payment will be made. The contractor shall furnish flagman and portable traffic control devices (or other method approved by the County Engineer) in accordance with the current revision of the Manual of Uniform Traffic Control Devices (MUTCD).

This bid is intended to comply with the Rebuild Alabama Act, No. 2019-2, and Alabama Code Title 39, the Alabama Public Works Law, and/or Alabama Code Title 41, the Alabama Competitive Bid Law. Bidders shall be required to comply with the provisions of the Rebuild Alabama Act, No. 2019-2 and Title 39 of the Alabama Code regardless if the requirement is explicitly detailed in the bid proposal or not.

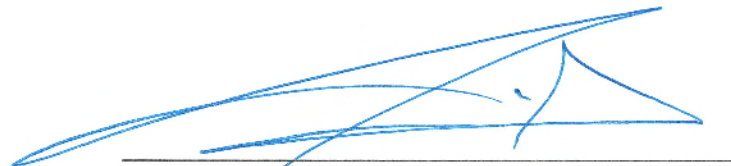

Only bids from contractors or material suppliers listed on the Alabama Department of Transportation (ALDOT) approved list of contractors and material suppliers will be accepted. All bids must be sealed and marked as instructed in the bid request packet.

The contractor shall meet all Alabama Department of Transportation (ALDOT) Bonding and Licensing requirements as well as all applicable laws, ordinances, and codes of the U.S. Government, the State of Alabama, and any relevant municipality, and the County, and, specifically and without limitation, shall comply with all provisions of the Beason-Hammond Alabama Taxpayer and Citizen Protection Act, commonly referred to as the Immigration Act.

All bids should be sealed with the subject matter marked plainly on outside of envelope. They should be addressed to the Dallas County Commission, P.O. Box 987, Selma, Alabama 36702. Physical address is 102 Church Street, Selma, Alabama 36701. They should be delivered or mailed in time to be received by the Dallas County Commission on or before **10:30 A.M., Tuesday, October 6, 2026.**

Further information concerning said bid can be obtained by contacting Anthony Crear, County Engineer.

All factors contained in each invitation package will be evaluated in determining the successful bidder and any omission of, or deviations from, the stated requirements may be cause for rejection of the bid submitted. The awarding authority reserves the right to reject any and all bids, to waive any informality or immaterial noncompliance in bids, and to accept, in whole or in part, such bid or bids solely at its discretion.

Jimmy L. Nunn, Chairman
Dallas County Commission

The undersigned hereby states that this Bid Proposal is to the best of their knowledge; their true and correct bid, except for changes initiated herein, and is submitting these bid items for review and consideration.
